

Application Form

Strategic Partnership Funding Call Flexible Funding 2024

International Department / Unit for International Science Collaborations

2024-3

Application Form

Strategic Partnership Funding Call Flexible Funding 2024

Project Title:

HU Applicant (Name, Position, Department/Faculty):

Partner (Name, Position, Department/Faculty, University):

*Please provide short CV (2 pages) for both (HU applicant and partner)

Project Description (max. 500 words):

Briefly describe the proposed collaboration, including objectives and activities.

Project Duration:

Start Date:

End Date:

Collaboration Plan (approx. 150 words):

Briefly outline how the collaboration will be structured, including communication channels and division of tasks.

Expected Impact (in bullet points):

Briefly list the anticipated outcomes of your project for research, visibility, and sustainability (future activities).

Is this project a new initiative, or does it build upon an established collaboration?

If the latter, please briefly describe the nature of the collaboration and outline how this project will introduce innovative features or advancements to enhance the existing partnership.

Budget:

Please list the requested amount (in €) for each financial item that is necessary for your project. The total sum should not exceed € 5,000.

Financial item	Requested amount Budget (in €)

Additional Information

If you receive funding from other sources, it is your responsibility to inform your sponsors about support through this flex fund. Additional outside funding can lead to your sponsor reducing their support (temporarily).

Data Protection

The data required to process the application will be stored and processed electronically by the HUB Strategic Partnerships team in compliance with data protection regulations. In case of approval, the topic of the project as well as the name, institution, and location of the applicant might be published on the HUB (International Department) website. Applicants may, however, deny permission to publish this information in electronic form after the project has been approved.
